**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS**  
To Be Held at 10:00 a.m. Pacific Time on Tuesday, June 8, 2021

Dear Stockholders:

The 2021 Annual Meeting of Stockholders (the "Annual Meeting") of Resonant Inc., a Delaware corporation ("Resonant"), will be held on Tuesday, June 8, 2021 at 10:00 a.m., Pacific Time, for the following purposes as more fully described in the accompanying proxy statement:

1. To elect eight directors to serve until the 2022 annual meeting of stockholders or until their successors are duly elected and qualified;
2. To hold an advisory vote on executive compensation;
3. To ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021; and
4. To transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

This year, the Annual Meeting will be a completely virtual meeting of stockholders, conducted solely via a live webcast. Due to the continuing public health impact of the coronavirus outbreak (COVID19) and to support the health and well-being of our employees and stockholders, we have determined to hold this year's Annual Meeting in a virtual meeting format only. You will be able to attend the Annual Meeting online and submit your questions during the meeting by visiting [www.virtualshareholdermeeting.com/RESN2021](http://www.virtualshareholdermeeting.com/RESN2021). You will also be able to vote your shares electronically at the Annual Meeting.

This year, we have elected to use the Internet as our primary means of providing our proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send to our stockholders a Notice of Internet Availability of Proxy Materials, which contains instructions on how to access our proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2020. The Notice of Internet Availability of Proxy Materials also includes instructions on how you can vote using the Internet, by telephone or at the virtual Annual Meeting via live webcast, and how you can request and receive, free of charge, a printed copy of our proxy materials. All stockholders who do not receive a Notice of Internet Availability of Proxy Materials will receive a paper copy of the proxy materials by mail.

The board of directors of Resonant has fixed the close of business on April 15, 2021 as the record date for the Annual Meeting. Only stockholders of record on the record date are entitled to notice of and to vote, in person or by proxy, at the Annual Meeting. Further information regarding voting rights and the matters to be voted upon is presented in the accompanying proxy statement.

Your vote is important. Whether or not you plan to attend the Annual Meeting via live webcast, please vote by telephone or the Internet by following the voting procedures described in the Proxy Materials. If you received printed proxy materials and wish to vote by mail, promptly complete, date and sign the enclosed proxy card and return it in the accompanying envelope.

By order of the Board of Directors,

/s/ George B. Holmes  
George B. Holmes

## FREQUENTLY ASKED QUESTIONS

### What matters am I voting on?

You will be voting on:

- The election of eight directors to hold office until the 2022 annual meeting of stockholders (the "2022 Annual Meeting") or until their successors are duly elected and qualified;
- An advisory vote on executive compensation;
- A proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021; and

- Any other business that may properly come before the Annual Meeting or any adjournment or postponement thereof.

#### **How does our board of directors recommend that I vote?**

Our board of directors recommends that you vote:

- FOR the election of the eight directors nominated by our board of directors and named in this proxy statement as directors to serve for one-year terms;
- FOR endorsement of the compensation of our executive officers; and
- FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021.

#### **Why did I receive a notice in the mail regarding the Internet availability of proxy materials?**

Instead of mailing printed copies to each of our stockholders, we have elected to provide access to our proxy materials over the Internet under the SEC's "notice and access" rules. These rules allow us to make our stockholders aware of the Annual Meeting and the availability of our proxy materials by sending the Notice of Internet Availability of Proxy Materials, or the Notice, which provides instructions for how to access the full set of proxy materials through the Internet or make a request to have printed proxy materials delivered by mail. Accordingly, on or about April 27, 2021, we mailed the Notice to each of our stockholders. The Notice contains instructions on how to access our proxy materials, including our Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2020, each of which is available at [www.proxyvote.com](http://www.proxyvote.com). The Notice also provides instructions on how to vote your shares through the Internet, by telephone, by mail or virtually at the Annual Meeting.

#### **What is the purpose of complying with the SEC's "notice and access" rules?**

We believe compliance with the SEC's "notice and access" rules allows us to provide our stockholders with the materials they need to make informed decisions, while lowering the costs of printing and delivering those materials and reducing the environmental impact of our Annual Meeting. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials electronically unless you elect otherwise.

#### **Will there be any other items of business on the agenda?**

If any other items of business or other matters are properly brought before the Annual Meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named on the proxy card intend to vote the proxy in accordance with their best judgment. Our board of directors does not intend to bring any other matters to be voted on at the Annual Meeting, and we are not currently aware of any matters that may be properly presented by others for action at the Annual Meeting.

#### **Who is entitled to vote at the Annual Meeting?**

Holders of our common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date. Cumulative voting is not permitted with respect to the election of directors.

A complete list of the stockholders entitled to vote at the Annual Meeting will be available at our headquarters, located at 10900 Stonelake Blvd, Suite 100, Office 02-130, Austin, TX 78759, during regular business hours for the ten days prior to the Annual Meeting. This list will also be available during the Annual Meeting at this location. Stockholders may examine the list for any legally valid purpose related to the Annual Meeting.

#### **What is the difference between holding shares as a Stockholder of Record and as a Beneficial Owner?**

*Stockholders of Record.* If, at the close of business on the Record Date, your shares are registered directly in your name with Computershare, our transfer agent, you are considered the Stockholder of Record with respect to those

shares. As the Stockholder of Record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote at the Annual Meeting via live webcast.

*Beneficial Owners.* If your shares are held in a stock brokerage account or by a bank or other nominee on your behalf, you are considered the Beneficial Owner of shares held in “street name.” As the Beneficial Owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. In general, if you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee may, in its discretion, vote your shares with respect to routine matters (e.g., the ratification of the appointment of our independent auditor), but may not vote your shares with respect to any non-routine matters (e.g., the election of directors). Please see “*What if I do not specify how my shares are to be voted?*” for additional information.

#### **How can I participate in the Annual Meeting?**

Due to the continuing public health impact of the coronavirus outbreak (COVID19) and to support the health and well-being of our employees and stockholders, we have determined to hold this year’s Annual Meeting entirely online. Our stockholders may participate in the Annual Meeting by visiting the following website: [www.virtualshareholdermeeting.com/RESN2021](http://www.virtualshareholdermeeting.com/RESN2021). You will need the 16-digit control number included on your proxy card to attend and vote at the Annual Meeting. If you are the Beneficial Owner of your shares, your 16-digit control number may be included in the voting instructions form that accompanied your proxy materials. If your nominee did not provide you with a 16-digit control number in the voting instructions form that accompanied your proxy materials, you may be able to log onto the website of your nominee prior to the start of the Annual Meeting, which will automatically populate your 16-digit control number in the virtual Annual Meeting interface. Stockholders who have obtained a 16-digit control number as described above may vote or submit questions while participating in the live webcast of the Annual Meeting. However, even if you plan to attend the Annual Meeting virtually, we recommend that you vote your shares in advance, so that your vote will be counted if you later decide not to attend the Annual Meeting via live webcast.

#### **How do I vote and what are the voting deadlines?**

*Stockholders of Record.* Stockholders of Record can vote by proxy or by attending the Annual Meeting virtually by visiting [www.virtualshareholdermeeting.com/RESN2021](http://www.virtualshareholdermeeting.com/RESN2021), where votes can be submitted via live webcast. If you vote by proxy, you can vote by Internet, telephone or by mail as described below.

- **You may vote via the Internet or by telephone** To vote via the Internet or by telephone, follow the instructions provided in the Notice or in the proxy card that accompanies this proxy statement. If you vote via the Internet or by telephone, you do not need to return a proxy card by mail. Internet and telephone voting are available 24 hours a day. Votes submitted through the Internet or by telephone must be received by 11:59 p.m. Eastern Time on June 7, 2021. Alternatively, you may request a printed proxy card by following the instructions provided in the Notice.
- **You may vote by mail.** If you would like to vote by mail, you need to complete, date and sign the proxy card that accompanies this proxy statement and promptly mail it in the enclosed postage-paid envelope so that it is received no later than June 7, 2021. You do not need to put a stamp on the enclosed envelope if you mail it from within the United States. The persons named on the proxy card will vote the shares you own in accordance with your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter to be voted on at the Annual Meeting, the persons named on the proxy card will vote the shares you own in accordance with the recommendations of our board of directors. Our board of directors recommends that you vote FOR each of Proposals No. One, Two and Three.
- **You may vote at the Annual Meeting** If you choose to vote at the Annual Meeting virtually, you will need the 16-digit control number included on your Notice or on your proxy card. If you are the beneficial owner of your shares, your 16-digit control number may be included in the voting instructions form that

accompanied your proxy materials. If your nominee did not provide you with a 16-digit control number in the voting instructions form that accompanied your proxy materials, you may be able to log onto the website of your nominee prior to the start of the Annual Meeting, on which you will need to select the stockholder communications mailbox link through to the Annual Meeting, which will automatically populate your 16-digit control number in the virtual Annual Meeting interface. The method you use to vote will not limit your right to vote at the virtual Annual Meeting. All shares that have been properly voted and not revoked will be voted at the Annual Meeting.

*Beneficial Owners.* If you are the Beneficial Owner of shares held of record by a broker or other nominee, you will receive voting instructions from your broker or other nominee. You must follow the voting instructions provided by your broker or other nominee in order to instruct your broker or other nominee how to vote your shares. The availability of telephone and Internet voting options will depend on the voting process of your broker or other nominee. As discussed above, if you received your 16-digit control number in the voting instructions form that accompanied your Notice or your proxy materials, or if you are able to link through to the Annual Meeting from the website of your nominee and populate your 16-digit control number in the virtual Annual Meeting interface, you will be able to vote virtually at the Annual Meeting.

#### **May I change my vote or revoke my proxy?**

*Stockholders of Record.* If you are a Stockholder of Record, you may revoke your proxy or change your proxy instructions at any time before your proxy is voted at the Annual Meeting by:

- entering a new vote by Internet or telephone;
- signing and returning a new proxy card with a later date;
- delivering a written revocation to our Secretary at the address listed on the front page of this proxy statement; or
- attending the Annual Meeting and voting via live webcast.

*Beneficial Owners.* If you are the beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

#### **What is the effect of giving a proxy?**

Proxies are solicited by and on behalf of our board of directors. The persons named on the proxy card have been designated as proxy holders by our board of directors. When a proxy is properly dated, executed and returned, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instruction of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors (as shown on the first page of the proxy statement). If any matters not described in the proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holders can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

#### **What if I do not specify how my shares are to be voted?**

*Stockholders of Record.* If you are a Stockholder of Record and you submit a proxy but you do not provide voting instructions, your shares will be voted:

- FOR the election of the eight directors nominated by our board of directors and named in this proxy statement as directors to serve for one-year terms (Proposal No. One);
- FOR endorsement of the compensation of our executive officers (Proposal No. Two);
- FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021 (Proposal No. Three); and
- In the discretion of the named proxy holders regarding any other matters properly presented for a vote at the Annual Meeting.

*Beneficial Owners.* If you are a Beneficial Owner and you do not provide your broker or other nominee that holds your shares with voting instructions, your broker or other nominee will determine if it has discretion to vote on each matter. In general, brokers and other nominees do not have discretion to vote on non-routine matters. Each of Proposal No. One (election of directors) and Proposal No. Two (endorsement of executive compensation) is a non-routine matter, while Proposal No. Three (ratification of appointment of independent registered public accounting firm) is a routine matter. As a result, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee cannot vote your shares with respect to Proposal Nos. One and Two, which would result in a “broker non-vote,” but may, in its discretion, vote your shares with respect to Proposal No. Three. For additional information regarding broker non-votes, see “*What are the effects of abstentions and broker non-votes?*” below.

**What is a quorum?**

A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our bylaws and Delaware law. A majority of the shares of common stock outstanding and entitled to vote, by proxy or at the Annual Meeting via live webcast, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were at total of 60,260,123 shares of common stock outstanding, which means that 30,130,062 shares of common stock must be represented by proxy or virtually via live webcast at the Annual Meeting to have a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

**What are the effects of abstentions and broker non-votes?**

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. Under Delaware law, abstentions are considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting (Proposal Nos. Two and Three). However, because the outcome of Proposal No. One (election of directors) will be determined by a plurality of the voting power of the shares present and entitled to vote at the Annual Meeting, abstentions will have no impact on the outcome of the proposal as long as a quorum exists.

A broker non-vote occurs when a broker or other nominee holding shares for a Beneficial Owner does not vote on a particular proposal because the broker or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the Beneficial Owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not affect the outcome of the vote on Proposal Nos. Two or Three.

**How many votes are needed for approval of each proposal?**

<b>Proposal</b>	<b>Vote Required</b>	<b>Broker Discretionary Voting Allowed?</b>
Proposal No. One --Election of directors	Plurality of voting power of shares present and entitled to vote	No
Proposal No. Two --Endorsement of the compensation of executive officers	Majority of voting power of shares present and entitled to vote	No
Proposal No. Three --Ratification of the appointment of the independent registered public accounting firm	Majority of voting power of shares present and entitled to vote	Yes

With respect to Proposal No. One, you may vote (i) FOR all nominees, (ii) WITHHOLD your vote as to all nominees, or (iii) vote FOR all nominees except for those specific nominees from whom you WITHHOLD your vote. The eight nominees receiving the most FOR votes will be elected. Cumulative voting is not permitted with respect to the election of directors. If you WITHHOLD your vote as to all nominees, your vote will be treated as if you had ABSTAINED from voting on Proposal No. One, and your abstention will have no effect on the outcome of the vote.

With respect to Proposal Nos. Two and Three, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on any of these proposals, the abstention will have the same effect as a vote AGAINST the proposal.

**How are proxies solicited for the Annual Meeting and who is paying for the solicitation?**

The board of directors is soliciting proxies for use at the Annual Meeting by means of this proxy statement. We will bear the entire cost of the proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to brokers and other nominees to forward to the Beneficial Owners of the shares held of record by the brokers or other nominees. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending these proxy materials to Beneficial Owners.

This solicitation of proxies may be supplemented by solicitation by telephone, electronic communication, or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation. We do not plan to retain a proxy solicitor to assist in the solicitation of proxies.

**Is my vote confidential?**

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Resonant or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

**Will members of the board of directors attend the Annual Meeting?**

We encourage our board members to attend the Annual Meeting. Because this year's Annual Meeting will be completely virtual, those board members who do attend will not be available to answer questions from stockholders.

**I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?**

We have adopted an SEC-approved procedure called "householding," under which we can deliver a single copy of the Notice and, if applicable, the proxy materials to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing and mailing costs. Stockholders of Record who participate in householding will be able to access and receive separate proxy cards. Upon written or oral request, we will promptly deliver a separate copy of the Notice and, if applicable, the proxy materials to any stockholder at a shared address to which we delivered a single copy of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that Resonant only send a single copy of the next year's Notice and, if applicable, the proxy materials, you may contact us as follows:

Attention: Secretary  
10900 Stonelake Blvd, Suite 100, Office 02-130

Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other nominee to request information about householding.

*Rubén Caballero.* Mr. Caballero has served as a member of our board of directors and as a technical advisor since August 2019. In April 2020, Mr. Caballero joined Microsoft, as Corporate Vice President of Engineering for Hardware Design and Technology, where his role is to oversee Mixed Reality and AI, enhancing the capabilities of Microsoft’s hardware products, including HoloLens and other special projects. **PROPOSAL NO. TWO**

**ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”), we are required to include in this proxy statement and present at the Annual Meeting a non-binding stockholder vote to approve the compensation of our executives, as described in this proxy statement, pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “say on pay” vote, gives stockholders the opportunity to endorse or not endorse the compensation of our executives as disclosed in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve the compensation of the Company’s executives, as disclosed in the compensation tables and related narrative disclosure in the Company’s proxy statement for the annual meeting.

This vote will not be binding on our board of directors and may not be construed as overruling a decision by the board of directors or creating or implying any change to the fiduciary duties of the board of directors. The vote will not affect any compensation previously paid or awarded to any executive. The compensation committee and the board of directors may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation programs is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value.

**Vote Required**

The affirmative vote of a majority of the shares present by proxy or virtually via live webcast at the Annual Meeting and entitled to vote is required for endorsement of the compensation of our executive officers.

**PROPOSAL NO. THREE**  
**RATIFICATION OF APPOINTMENT OF**  
**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of our board of directors has appointed KPMG LLP, as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2021. KPMG LLP also served as our independent registered public accounting firm for the fiscal year ended December 31, 2020.

At the Annual Meeting, stockholders will be asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2021. Stockholder ratification of the appointment of our independent registered public accounting firm is not required by our bylaws or other applicable legal requirements. However, our board of directors submits the appointment of KPMG LLP to our stockholders for ratification as a matter of good corporate governance. If this appointment is not ratified by the affirmative vote of a majority of the votes validly cast at the Annual Meeting at which a quorum is present, the appointment will be reconsidered by our audit committee. Even if the appointment is ratified, our audit committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during the year ending December 31, 2021 if our audit committee believes that such a change would be in the best interests of Resonant and its stockholders. A representative of KPMG LLP is not expected to be present at the Annual Meeting.

**Change in Independent Registered Public Accounting Firm**

On August 19, 2020, we dismissed Crowe LLP as our independent registered public accounting firm. The decision to dismiss Crowe LLP was approved by the audit committee of our board of directors.

The audit reports of Crowe LLP on our consolidated financial statements for the years ended December 31, 2019 and 2018 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except the audit reports on our financial statements as of and for the fiscal years ended December 31, 2019 and 2018 did contain an explanatory paragraph related to our ability to continue as a going concern.

In connection with the audit of our financial statements for the fiscal years ended December 31, 2019 and 2018, and for the subsequent interim period through August 19, 2020, there were: (i) no disagreements between us and Crowe LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Crowe LLP, would have caused Crowe LLP to make reference to the subject matter of the disagreements in its report on our financial statements for such fiscal years; and (ii) no “reportable events” within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

At the time of its dismissal, we provided Crowe LLP with a copy of the disclosures reproduced in this proxy statement and requested that Crowe LLP furnish us with a letter addressed to the Securities and Exchange Commission stating whether or not Crowe LLP agrees with our statements. A copy of the letter dated August 24, 2020, furnished by Crowe LLP in response to that request is filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the Securities and Exchange Commission on August 25, 2020.

The audit committee of our board of directors approved the appointment of KPMG LLP as our new independent registered public accounting firm, and we formally engaged KPMG LLP as our independent registered public accounting firm on August 19, 2020.

During our fiscal years ended December 31, 2019 and 2018 and through August 19, 2020, neither we nor anyone on our behalf consulted with KPMG LLP with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and KPMG LLP did not provide either a written report or oral advice to us that KPMG LLP concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any matter that was the subject of any disagreement, as defined in Item 304 (a)(1)(iv) of Regulation S-K

and the related instructions, or a “reportable event” within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

#### Auditor Independence

In 2020, there were no other professional services provided by Crowe LLP or KPMG LLP that would have required the audit committee to consider their compatibility with maintaining the independence of Crowe LLP or KPMG LLP.

#### **Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services**

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board, or PCAOB, regarding auditor independence, our audit committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our audit committee has a policy for the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

Before engagement of the independent registered public accounting firm for the next fiscal year's audit, the independent registered public accounting firm submits to the audit committee for approval a detailed description of services expected to be rendered during that year for each of the following categories of services:

- *Audit services.* Audit services include the annual financial statement audit (including required quarterly reviews) and other procedures required to be performed by the independent auditor to form an opinion on our consolidated financial statements. Audit services also include, as necessary, the attestation engagement for the independent auditor's report on management's report on internal controls for financial reporting. Other audit services may include services associated with SEC registration statements, periodic reports and other documents filed with the SEC.
- *Audit-related services.* Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of our financial statements or that are traditionally performed by the independent auditor.
- *Tax Services.* Tax services include services related to tax compliance, tax planning and tax advice.
- *All Other Services.* All other services are those services not described in the other categories that are not prohibited by SEC rules.

The audit committee pre-approves particular services or categories of services on a case-by-case basis. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the services must be pre-approved by the audit committee, or as permitted, the audit committee chair, before the independent registered public accounting firm is engaged. Pre-approval fee levels or budgeted amounts for all services to be provided by the independent registered public accounting firm are established annually by the audit committee. Any proposed services exceeding these levels or amounts require specific pre-approval by the audit committee, or the audit committee chair. All fees paid to Crowe LLP and KPMG LLP for the fiscal years ended December 31, 2020 and 2019 were pre-approved by the audit committee in accordance with the process described in the policy above.

#### **Vote Required and Board Recommendation**

The affirmative vote of a majority of the votes validly cast at the Annual Meeting at which a quorum is present is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2021.

**\*\*\*THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP \*\*\***

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee maintains effective working relationships with the Board, management and KPMG LLP, the Company's independent registered public accounting firm (the "Independent Accountants"). As set forth in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that our Company's consolidated financial statements and disclosures are complete and accurate and in accordance with U.S. generally accepted accounting principles and applicable rules and regulations. The Independent Accountants are responsible for auditing the Company's consolidated financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles.

The Audit Committee has (1) reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2020 with the Company's management and with the Independent Accountants; (2) discussed with the Independent Accountants the matters required to be discussed by Auditing Standards No. 16, Communication with Audit Committees, as adopted by the Public Company Accounting Oversight Board; and (3) received the written disclosures and the letter from the Independent Accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the Independent Accountants' communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the Independent Accountants the Independent Accountants' independence and considered whether the provision of non-audit services by the Independent Accountants to the Company is compatible with the Independent Accountants' independence.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the Independent Accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audits of the Company's consolidated financial statements have been carried out in accordance with generally accepted auditing standards, that the consolidated financial statements are presented in accordance with U.S. generally accepted accounting principles or that the Company's Independent Accountants are in fact "independent."

Based upon the reviews and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in this report and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2020.

Alan Howe

## BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

### Board Composition

Our business affairs are managed under the direction of our board of directors, which is currently comprised of eight members: Mr. Rubén Caballero, Mr. Michael Fox, Mr. George Holmes, Mr. Alan Howe, Mr. Jack Jacobs, Mr. Joshua Jacobs, Ms. Jean Rankin and Mr. Robert Tirva. Each director's term will continue until the election and qualification of his or her successor, or his or her earlier death, resignation, or removal.

The board of directors met 8 times in 2020. Each board member attended at least 75% of the aggregate number of board meetings and meetings of standing committees of which he or she is a member, with the exceptions of Rubén Caballero and Jack Jacobs.

### Director Independence

Our common stock is listed on the NASDAQ Capital Market. Under the rules of The NASDAQ Stock Market LLC ("NASDAQ"), independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of NASDAQ require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating committees be independent. Under the rules of NASDAQ, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our board of directors has undertaken a review of the independence of each director and considered whether each director has a material relationship with us that could compromise such director's ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our board of directors has determined that Messrs. Fox, Howe, Jack Jacobs, Joshua Jacobs and Tirva, and Ms. Rankin are "independent directors" as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of NASDAQ. Because Mr. Holmes is employed by Resonant, he does not qualify as independent. Additionally, the Board concluded that Mr. Caballero does not qualify as independent due to the nature and significance of his consulting relationship with Resonant.

### Board Leadership Structure; Lead Independent Director

George Holmes currently serves as both chairman of our board of directors and chief executive officer. Our board of directors believes that Mr. Holmes, one of our two longest-tenured directors, is best positioned to identify strategic priorities, lead critical discussions and execute our strategy and business plans. Mr. Holmes possesses detailed, in-depth knowledge of the issues, opportunities, and challenges facing us. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside of our company, while the chief executive officer brings company specific experience and expertise. Our board of directors believes that Mr. Holmes' combined role enables strong leadership, creates clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Our corporate governance guidelines provide that one of our independent directors should serve as a lead independent director at any time when our chief executive officer serves as the chairman of our board of directors or if the chairman is not otherwise independent. Michael Fox, an independent director, is the lead independent director.

As lead independent director, Mr. Fox will preside over periodic meetings of our independent directors, serve as a liaison between our chairman and the independent directors, work with Mr. Holmes to establish board meeting agendas, raise issues with management on behalf of the independent directors when appropriate, oversee the general functioning of the board and committees and perform such additional duties as our board of directors otherwise determines and delegates.

Our board of directors believes that the current board leadership structure, coupled with a strong emphasis on board independence, provides effective independent oversight of management while allowing the board and management to benefit from Mr. Holmes' day-to-day familiarity with our business operations.

### Committees of the Board of Directors

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee, each of which has the composition and responsibilities described below. Members will serve on these committees until their resignation or as otherwise determined by our board of directors. Each of these standing committees operates under a written charter adopted by the board of directors. The charters are available on the "Investors" portion of our website at [www.resonant.com](http://www.resonant.com).

The table below provides current membership information for each of the three standing board committees.

- preparing the compensation committee report that the SEC will require in our annual proxy statement.

*Nominating and Corporate Governance Committee.* Messrs. Fox, Jack Jacobs, Joshua Jacobs and Tirva, each of whom is a non-employee member of our board of directors, comprise our nominating and corporate governance committee, and Mr. Fox chairs the committee. Our board of directors has determined that each of the members of the nominating and corporate governance committee meets the requirements for independence under the rules of NASDAQ for service on this committee. The nominating and corporate governance committee is responsible for, among other things:

- evaluating and making recommendations regarding the composition, organization and governance of our board of directors and its committees;
- identifying, recruiting and nominating director candidates to the board if and when necessary;
- evaluating and making recommendations regarding the creation of additional committees or the change in mandate or dissolution of committees;
- reviewing and making recommendations with regard to our corporate governance guidelines and compliance with laws and regulations; and
- reviewing and approving conflicts of interest of our directors and corporate officers, other than related person transactions reviewed by the audit committee.

*Other Board Committees.* Our board of directors forms ad hoc committees from time-to-time to assist the board in fulfilling its responsibilities with respect to matters that are the subject of the ad hoc committee's mandate.

#### **Board Member Nomination Process**

The nominating and corporate governance committee employs a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, the nominating and corporate governance committee will consider the current size and composition of the board of directors and the needs of the board of directors and the respective committees of the board of directors. Some of the qualifications that the committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other commitments. The nominating and corporate governance committee requires the following minimum qualifications to be satisfied by any nominee for a position on our board of directors: (i) the highest personal and professional ethics and integrity, (ii) proven achievement and competence in the nominee's field and the ability to exercise sound business judgment, (iii) skills and expertise that are complementary to those of the existing members of our board of directors, (iv) the ability to assist and support management and make significant contributions to the company's success, and (v) an

understanding of the fiduciary responsibilities that are required of a member of our board of directors, and the commitment of time and energy necessary to diligently carry out those responsibilities. Other than the foregoing, there are no stated minimum criteria for director nominees, although the nominating and corporate governance committee may also consider other factors that it may deem, from time to time, in our and our stockholders' best interests. The nominating and corporate governance committee may also take measures that it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the nominating and corporate governance committee, the board of directors, or management.

Although the board of directors does not maintain a specific policy with respect to board diversity, the board of directors believes that the board should be a diverse body, and the nominating and corporate governance committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, the nominating and corporate governance committee may take into account the benefits of diverse viewpoints. After completing its review and evaluation of director candidates, the nominating and corporate governance committee recommends to the full board of directors the director nominees for election. The nominating and corporate governance committee also considers these and other factors as it oversees the annual board of director and committee evaluations.

#### **Stockholder Recommendations and Nominations of Candidates for Election to the Board of Directors**

The nominating and corporate governance committee will consider candidates for nomination to the board of directors recommended by any stockholder holding at least one percent (1%) of the fully diluted capitalization of Resonant for at least twelve months prior to the date that the recommendation is submitted. The committee will evaluate recommendations in accordance with its charter, our bylaws, our policies and procedures for director candidates, as well as the nominee criteria described above. This process is designed to ensure that the board of directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. A stockholder wishing to recommend a candidate for nomination should contact our Secretary in writing, at the address indicated in the next paragraph. The recommendation must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve on our board of directors, information regarding any relationships between the candidate and Resonant and evidence of the recommending stockholder's ownership of our common stock. The recommendation must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board of directors membership. Our nominating and corporate governance committee has sole discretion to decide which individuals to recommend for nomination as directors.

A stockholder of record can nominate a candidate directly for election to the board by complying with the procedures in Section 2.4 of our bylaws and the rules and regulations of the SEC. An eligible stockholder who wishes to submit a nomination should review the requirements in our bylaws for nominations by stockholders. Any nomination should be sent in writing to the company, addressed to the attention of the Secretary at Resonant Inc., 10900 Stonelake Blvd, Suite 100, Office 02-130, Austin TX 78759. Notice of nominations for the 2022 Annual Meeting must be received by us no earlier than February 11, 2022 and no later than March 13, 2022. The notice must state the information required by Section 2.4 of our bylaws and otherwise comply with applicable federal and state law.

A copy of our bylaws may be obtained by accessing Resonant's filings on the SEC's website at [www.sec.gov](http://www.sec.gov). You may also contact our Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for nominating director candidates.

#### **Board's Role in Risk Management Oversight**

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational risks. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of the risks we face, while our

board of directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our board must satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our board of directors believes that open communication between management and the board of directors is essential for effective risk management and oversight. Our board meets with our chief executive officer and other members of the senior management team at regularly scheduled quarterly board meetings and in other meetings between the quarterly meetings, where, among other topics, they discuss strategy and risks facing the company.

While our board of directors is ultimately responsible for risk oversight, our board committees assist the board of directors in fulfilling its oversight responsibilities in certain areas of risk. The audit committee assists our board of directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, and legal and regulatory compliance. The audit committee also discusses guidelines and policies with respect to risk assessment and risk management with management and the independent auditor. In addition, the audit committee reviews management's assessment of the key risks facing us, including the key controls it relies on to mitigate those risks. The audit committee also monitors certain key risks at each of its regularly scheduled meetings, such as risk associated with internal control over financial reporting and liquidity risk. The nominating and corporate governance committee assists our board in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. The compensation committee assesses risks created by the incentives inherent in our compensation policies as well as in our leadership development and succession planning. Finally, the full board of directors reviews strategic and operational risk reported by the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

#### **Stockholder Communications with the Board of Directors**

Stockholders wishing to communicate with our board of directors or with an individual member of our board may do so by writing to our board of directors or to the particular member of our board, and mailing the correspondence to our Secretary, Resonant Inc., 10900 Stonelake Blvd, Suite 100, Office 02-130, Austin, Texas 78759 or sending it by email to [ir@resonant.com](mailto:ir@resonant.com). Our chief executive officer, in consultation with our outside legal counsel, will review all incoming stockholder communications (excluding mass mailings, product complaints or inquiries, job inquiries, business solicitations and patently offensive material), and if deemed appropriate, the stockholder communications will be forwarded to the appropriate member or members of our board of directors, or if none is specified, to the chairman of the board.

#### **Corporate Governance Guidelines; Code of Business Conduct and Ethics**

Our board of directors has adopted Corporate Governance Guidelines. These guidelines address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us. In addition, our board of directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including our chief executive officer, chief financial officer, and other executive and senior financial officers. The full text of our Corporate Governance Guidelines and our Code of Business Conduct and Ethics is posted on the "Investors" portion of our website at [www.resonant.com](http://www.resonant.com). We will post amendments to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers on the same website.

#### **Prohibition on Hedging Shares; Pledging of Shares**

Our insider trading policy provides that our employees and directors may not engage in derivative transactions involving our securities. Our insider trading policy prohibits our employees and directors from hedging or lending Company securities in any transaction, including by entering into any short sales, swaps, options, puts, calls, forward contracts, or any other similar derivatives transaction. Our insider trading policy does not prohibit our employees

and directors from pledging our securities for margin loans or other purposes, and thus they are able to do so subject to compliance with the other terms of our insider trading policy that might restrict such activities.

## EXECUTIVE COMPENSATION

### Processes and Procedures for Compensation Decisions

The compensation committee of the board is responsible for the executive compensation programs for our executive officers and reports to the board on its discussions, decisions and other actions. Typically, our chief executive officer makes recommendations to our compensation committee, often attends committee meetings and is involved in the determination of compensation for the executive officers that report to him, except that he does not make recommendations as to his own compensation. Our chief executive officer makes recommendations to our compensation committee regarding short-term and long-term compensation for all executive officers, excluding himself, based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our compensation committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer other than the chief executive officer, as well as each individual compensation component. The compensation committee makes recommendations to the board regarding compensation for the chief executive officer. The independent members of the board make the final decisions regarding executive compensation for our chief executive officer.

The compensation committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. In 2019, the compensation committee retained Compensia, Inc. ("Compensia"), an executive compensation advisory firm, to provide it with information, recommendations and other advice relating to director and executive compensation. Compensia serves at the discretion of the compensation committee. The compensation committee engaged Compensia to assist us in establishing the appropriate level of compensation for our chief executive officer and the members of our board of directors. The compensation committee did not use the services of a compensation consulting firm during 2020.

The compensation committee periodically, and at least annually, considers and assesses the independence of its then-serving compensation consulting firm, including whether such firm has any potential conflicts of interest with our company or members of the compensation committee, as set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange Act. The most recent review of Compensia was conducted in April 2020. Based on that review, the committee concluded that it is not aware of any conflict of interest that has been raised by work performed by Compensia or the individual consultants employed by Compensia that perform services for the committee.

### Compensation Elements

Our compensation package for executive officers consists of base salary, annual incentive (bonus) awards, and long-term equity-based compensation. The executive officers are also eligible to participate in all of our employee benefit plans. We also provide in certain circumstances, a sign-on bonus to executive officers, which may be applied against and reduce any other bonus to which the executive is entitled for one or more fiscal years and must be repaid if the executive officer voluntarily terminates employment with us other than for good reason within one year of commencement of employment.

**Base Salary.** We provide competitive base salaries to pay for day-to-day service in light of each individual's duties and responsibilities, experience, expertise and individual performance. Individual salary levels are determined based on assessments of internal job responsibilities, experience in the role, and market levels for comparable positions. Salary increases also are determined based on market levels of compensation and an assessment of individual and team performance for the year.

Annual base salaries as of December 31, 2019 and 2020 and as of April 15, 2021 for the named executive officers are as follows:

Executive	2019 Annual Base Salary	2020 Annual Base Salary	2021 Annual Base Salary
George Holmes	\$ 400,000	\$ 400,000	\$ 425,000
Martin McDermut	\$ 297,041	\$ 307,340	\$ 314,716
Dylan Kelly	\$ 285,000	\$ 285,000	\$ 300,000

**Incentive (Bonus) Awards.** We provide eligible employees, including our named executive officers, the opportunity to earn bonus awards upon achieving predetermined performance goals and objectives. The purpose is to reward attainment of company goals and/or individual performance objectives, with award opportunities expressed as a percentage of base salary. Bonuses can be measured and paid quarterly and/or annually, and are paid in cash, equity or a combination of cash and equity, in the discretion of our compensation committee.

**2020 Incentive Bonus Program.** During 2020, our executive officers, including our named executive officers, participated in the 2020 incentive bonus program. The program provided for the award of quarterly and/or annual bonuses to our employees and executive officers (other than our chief executive officer) if certain performance goals, based on company-wide billings, expenses and certain other individual non-monetary targets, were attained in quarterly and annual performance periods during our 2020 fiscal year. The awards contained a combination of service conditions and performance conditions based on the achievement of specified performance thresholds. The awards were based on each individual's annual salary multiplied by a bonus multiplier percentage which had been determined by our compensation committee. The plan also allowed for additional discretionary awards to non-executive employees up to 10% of the total base salaries of non-executive employees. Our chief executive officer was eligible for the award of an annual bonus if certain performance goals, based on company-wide billings, expenses and stock price performance, were attained during the fiscal 2020 annual performance period. The bonuses for the first three quarters were paid in restricted stock, and the fourth quarter and annual bonuses were paid in cash. The number of shares underlying equity awards granted to each employee in payment of quarterly bonuses was determined based on the performance bonus amount to be paid in equity, divided by our closing stock price on the grant date.

Our named executive officers received the following quarterly and annual incentive bonus awards during 2020:

Executive	First Quarter (\$)(1)	Second Quarter (\$)(2)	Third Quarter (\$)(3)	Fourth Quarter (\$)(4)	Fiscal Year (\$)(4)	Total 2020 Bonus (\$)

- (1) Payable 100% in restricted stock units, with the number of restricted stock units determined by dividing the total dollar amount of the bonus to be paid in restricted stock units by the closing sales price of the Corporation's common stock on the date of approval. The restricted stock units vested in full on May 13, 2020.
- (2) Payable 100% in restricted stock units, with the number of restricted stock units determined by dividing the total dollar amount of the bonus to be paid in restricted stock units by the closing sales price of the Corporation's common stock on the date of approval. The restricted stock units vested in full on August 13, 2020.
- (3) Payable 100% in restricted stock units, with the number of restricted stock units determined by dividing the total dollar amount of the bonus to be paid in restricted stock units by the closing sales price of the Corporation's common stock on the date of approval. The restricted stock units vested in full on November 16, 2020.
- (4) Payable 100% in cash.
- (5) Mr. Holmes was only eligible to receive an annual bonus for fiscal year 2020.

**Long-term Equity Incentives.** We deliver long-term incentive value through the award of stock options and restricted stock units to our employees. Awards of equity compensation are made in the discretion of our compensation committee pursuant to the terms of the Resonant Inc. Amended and Restated 2014 Omnibus Incentive Plan. Employees typically receive an initial award upon joining the company, and additional awards on an annual basis.

*2020 Long-term Equity Incentive Awards.* Our named executive officers received the following long-term equity incentive awards during 2020:

<b>Executive</b>	<b>RSUs (#)(1)</b>
George Holmes	200,000
Martin McDermut	59,088

(1) The RSUs vest in four equal annual installments on December 1, 2020, 2021, 2022 and 2023.

Throughout this proxy statement, these three officers are referred to as our “named executive officers.”

## Executive Officer Employment Letters

We entered into an executive employment letter, dated February 9, 2016, with George Holmes, an executive employment letter, dated October 14, 2018, with Martin McDermut and an executive employment letter, dated November 14, 2019, with Dylan Kelly. The letters have no specific duration and provide for at-will employment.

Each of our named executive officers may be entitled to receive severance benefits under a severance and change in control agreement, as described below.

### **Severance and Change in Control Agreements**

We have entered into severance and change in control agreements with participating employees, including our named executive officers, which provide these employees with severance benefits upon the employee's termination of employment in certain circumstances with certain additional benefits following a change in control of Resonant. These benefits provide the participating employees with enhanced financial security and incentive to remain with Resonant notwithstanding their at-will employment with us and the possibility of a change in control.

#### ***Termination Without Change in Control***

If we terminate the participant's employment with Resonant for a reason other than cause, the participant becoming disabled or the participant's death, and the termination does not occur within twenty-four months immediately following a "change in control," the participant will receive the following severance benefits:

*Accrued Compensation:* The participant will receive all accrued but unpaid paid time off, expense reimbursements, wages, and other benefits due to the participant under any Resonant -provided plans, policies, and arrangements.

*Severance Payment:* All participants will receive severance for a specified number of months of the participant's base salary then in effect immediately prior to the date of the participant's termination of employment, less all required tax withholdings and other applicable deductions, payable as soon as practicable following the participant's termination of employment. Messrs. Holmes, McDermut and Kelly, our named executive officers, are entitled to receive 18 months, 12 months and 12 months, respectively, of base salary severance.

*Target Bonus Payment:* The participant will receive a lump-sum severance payment equal to 100% of the participant's full target bonus as in effect for the fiscal year in which the termination occurs, which amount for all participants other than the CEO will be pro-rated for the portion of the fiscal year that the participant was employed by us.

*Continued Health Insurance Benefits:* We will reimburse the participant for premiums for coverage of the participant and his or her eligible dependents pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA") (at the coverage levels in effect immediately prior to termination of employment) until the earliest to occur of (A) a period of twelve (12) months from the last date of employment with us, (B) the date upon which the participant becomes eligible for coverage under a health, dental, or vision insurance plan of a subsequent employer, and (C) the date the participant or his or her dependents cease to be eligible for COBRA coverage.

*Equity:* All of the participant's unvested and outstanding equity awards that would have become vested had the participant remained in our employ for the twelve (12) month period following termination of employment shall immediately vest and become exercisable as of the date of termination, and the participant will have six months following termination of employment in which to exercise any stock options, stock appreciation rights, or similar rights to acquire our common stock.

*Outplacement Benefits.* If requested by the participant, we will pay the expense for outplacement benefits provided by a service to be determined by us for a period of six (6) months, up to a maximum dollar value of five thousand dollars (\$5,000) per participant.

#### ***Termination Following Change in Control***

If during the twenty-four (24) month period immediately following a change in control of Resonant, (x) we terminate the participant's employment with us for a reason other than cause, the participant becoming disabled or the participant's death, or (y) the participant resigns his employment for good reason, then the participant will receive the following benefits from us in lieu of the benefits described above under "*Termination Without Change in Control*":

*Accrued Compensation:* The participant will receive all accrued but unpaid paid time off, expense reimbursements, wages, and other benefits due to the participant under any Resonant -provided plans, policies, and arrangements.

*Severance Payment:* All participants will receive severance for a specified number of months of the participant's base salary then in effect. Messrs. Holmes, McDermut and Kelly, our named executive officers, are entitled to receive 18 months, 12 months and 12 months, respectively, of base salary severance.

*Target Bonus Payment:* The participant will receive a lump sum severance payment equal to 100% of the participant's full target bonus for the fiscal year in effect at the date of such termination of employment (or, if greater, as in effect for the fiscal year in which the change in control occurs).

*Continued Health Insurance Benefits:* We will reimburse the participant for premiums for coverage of the participant and his or her eligible dependents pursuant to the COBRA (at the coverage levels in effect immediately prior to termination of employment) until the earliest to occur of (A) a period of twelve (12) months from the last date of employment with us, (B) the date upon which the participant becomes eligible for coverage under a health, dental, or vision insurance plan of a subsequent employer, and (C) the date the participant or his or her dependents cease to be eligible for COBRA coverage.

*Equity:* All of the participant's unvested and outstanding equity awards shall immediately vest and become exercisable as of the date of termination, and the participant will have six (6) months following termination of employment in which to exercise any stock options, stock appreciation rights, or similar rights to acquire our common stock.

*Outplacement Benefits.* If requested by the participant, we will pay the expense for outplacement benefits provided by a service to be determined by us for a period of six (6) months, up to a maximum dollar value of five thousand dollars (\$5,000) per participant.

### **Pension Benefits and Nonqualified Deferred Compensation**

We do not provide a pension plan for our employees, and none of our named executive officers participated in a nonqualified deferred compensation plan in 2020.

### **401(k) Plan**

We maintain a tax-qualified retirement plan, or the 401(k) plan, that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees are able to participate in the 401(k) plan as of the first day of the month following the date they meet the 401(k) plan's eligibility requirements, and participants are able to defer up to 100% of their eligible compensation subject to applicable annual Code limits. All participants' interests in their deferrals are 100% vested when contributed. The 401(k) plan permits us to make matching contributions and profit sharing contributions to eligible participants. We have implemented a matching program, which is limited to 5% of base salary. In 2020, we made matching contributions of \$494,000 into the plan.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We describe below transactions, and series of related transactions, since January 1, 2019 to which we were or will be a party, in which:

### **Indemnification Agreements**

We have entered into indemnification agreements with each of our current and former directors and executive officers and certain key employees. The indemnification agreements and our amended and restated certificate of incorporation and amended and restated bylaws require us to indemnify our current and former directors and officers to the fullest extent permitted by Delaware law.

### **Policies and Procedures for Related Party Transactions**

Our audit committee has the primary responsibility for reviewing and approving or disapproving “related party transactions,” which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. Our policy regarding transactions between us and related persons provides that a related person is defined as a director, executive officer, nominee for director or greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and any of their immediate family members. Our audit committee charter provides that our audit committee shall review and approve or disapprove any related party transactions.
